Dear USTA Member,

I want you to know how much we appreciate your continued membership in the world's largest Harness Racing/Standardbred breed organization, the United States Trotting Association. We exist only to serve our members and I can promise you, that every dollar you have invested in this organization is spent with that goal in mind. Just consider these examples:

- We maintain the most up-to-date data bank for our industry.
• We maintain the most widely viewed internet site for Harness Racing.
• We have launched two information data supply systems for your use: RACEWAY Lite and PATHWAY.
• We prepare annual publications, which find interest around the world.
• We support all phases of our industry, including drivers, trainers, owners, breeders, grooms, tracks, bettors and "just" fans.
• We maintain complete reciprocity with Canadian Harness Racing.
• We publish Hoof Beats, the world's most widely read Harness Racing/Standardbred magazine.
• We represent our sport in Washington D.C. through our active participation with the American Horse Council.
• We have developed support programs that are aimed at young people, provide after racing care for Standardbreds and encourage amateur driving.

. . . and there is much, much more.

Remember, none of this would be possible without your membership support and all of us thank you for your confidence in us. Our pledge to you is that we will do more for you than you would expect...try us.

Sincerely,

Red G. Coe

Executive Vice President
